SIGN UP FEE:

If you are able to follow the requirements, a sign up fee is required to participate. The sign up fees range from \$2-\$8 USD / \$2.50-\$10 CAD, depending on the budget you choose to sign up for. This sign up fee is collected via Venmo or PayPal (USA participants), or Electronic Transfer (Canadian participants). These fees are used to help a replace box, in the unlikely event that it goes missing during shipping, and also help cover the costs of running the exchange. Any leftover money from these sign up fees will be donated to a dog-related charity nominated by the participants. Hosts do not keep any of the money.

Actual payment information is provided only during the sign up window.
